

MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 6114 - To improve legal procedures in the Executive Branch of the Government through the enactment of the administrative code, and for other purposes.

This Office has reviewed the subject bill in order to determine whether it is of interest to CIA activities and whether further action by your office is desired. From the viewpoint of personnel administration, no problems were perceived in the analysis of the bill, but there may be security problems which would make it difficult for the Agency to comply with the measure.
